MATERIAL-HANDLING CHARGES

Advance Shipments to RES Warehouse:

Includes storage prior to the opening of the show, delivery to the exhibitor's booth, removal to the loading dock at the close of the show and reloading onto outbound carriers. This also includes pick-up, storage and return of empty crates and cartons.

This also includes pick-up, storage and return of empty crates and cartons.

Note on outbound shipments:

All outbound shipments must have an RES bill of lading which should be returned to RES by 5:00pm Sunday at the RES Service Center in Hall F. They will have bill of lading forms, labels and shipping instructions available.

| | |
|---|------------------------------|
| Advance crated shipments received at warehouse by April 17, 2026 | \$145 per cwt. (100 lb. min) |
| Advance crated shipments received at warehouse after April 17, 2026 and on or before April 27, 2026 | \$150 per cwt. (100 lb. min) |
| Direct shipments to convention center on April 29 and 30 ONLY | \$115 per cwt. (100 lb. min) |

*When calculating weight, round up to next 100 lbs. (example: 265 lbs. = 300 lbs.)

Examples:

ONE EASY WAY TO KEEP CHARGES LOW!

SHIPPING VS. MATERIAL HANDLING

WHAT IS SHIPPING?

Shipping is the process of a carrier picking up items from your office (or another place of origin) and transporting it to the dock of either the advance warehouse or the event facility.

Please note that shipping is separate from material handling.

Exhibitors may use any carrier they choose, including SAIA Freight.

Exhibitors are solely responsible for all cost related to inbound/outbound shipping

WHAT IS MATERIAL HANDLING?

Material handling is the process of receiving a shipment from your carrier and managing on-site handling of the shipment through the event cycle. It is a standard event procedure with associated costs typically based on shipping weights.

Material Handling Process:

- Unloading freight from your carrier once it arrives at the receiving dock.
- Transporting freight from the dock to your booth space.
- Removal and return of your empty shipping containers (boxes, crates, and pallets). Empty labels can be printed at the RES Service Center located on the exhibit hall floor.
- Transferring your freight back to the loading dock.
- Loading your freight into your carrier's delivery vehicle for return shipping.

One easy way to keep charges low?

Consolidate. Whether you ship to the advance warehouse or directly to the show site, it is in your best interest to consolidate your shipment as much as possible. Each shipment that arrives separately is assessed the minimum charge.

So, keep your charges low by skidding items together to ensure they arrive at the same time.
